As per condition no. 10 of NIT No. 10833/22/D-12/ SQC-Brg./2016 Bhopal, Dated: 18/ 05/2016 for SQC of Bridge works, a pre bid meeting with the consultants was arranged on 27/05/2016. Following consultants attended the meeting.

1. **M/s March Technocrats Pvt. Ltd., Bahadurgarh Haryana.**
2. **M/s Lexus Infratech LLP. Bhopal.**

The following issues were raised during meeting by the consultants;

1. Clause 8.1 of TOR – In case of replacement of Key personnel reduction of remuneration by 10% should be made applicable for Team Leader only.
2. In some district there is only one bridge, whereas a Field Engineer is required to supervise two no. of bridges. It will be difficult for a Field Engineer to supervise work in two districts.
3. JV may be allowed.
4. Experience of supervision of 5 major bridges in last 5 years each costing not less than Rs. 2.00 crores has been called for. In last 5 years there have been steep rise in the construction cost, therefor, instead of cost it should be on the basis of length of bridge.
5. CV of Field Engineer should not be asked for.
6. Last date for submission of offer may be extended.

After due deliberation on each point following decision have been taken.

1. In case of replacement, deduction in the remuneration will be in case of both Team Leader and Bridge Engineer.
2. In such cases work will be allotted by General Manager keeping in mind distance between two bridges and other factors.
3. JV is not allowed.
4. There is no change in the condition.
5. There is no change in the condition.

6. This is the second call and sufficient time has been allowed, hence extension of time not considered necessary.

These minutes are part of RFP Document and will form part of agreement on award of work.
